SUBJECT: PRE-FORMED TEAM REGISTRATION FORMS

Please read thoroughly. The information has changed since last season.

The following steps are to be followed when registering 4-16 players (according to grade) for the same team in the recreation soccer program:

1. Coach must complete the attached team approval form (back) and return it with each player's registration form and payment. The form must be completely filled out to ensure proper league formation. Please make sure all player registration forms are filled out, front and back, completely and accurately. If additional players request to be on your team, but were not included in the original team approval form, they may be added to your team upon availability. Listing a player, without the registration form completed, signed, and program fee paid, does not guarantee they will be on your team and a spot will **NOT** be held.
2. The leagues will be divided by single grades for most of the leagues. Players should register with their age appropriate league. Advanced teams are encouraged to play up one grade level.
3. Our goal is for all players to play equally, learn new skills, and to have fun. This is a recreational league.
4. Register as soon as possible. Early registration pricing ends on July 7, 2010. Leagues may reach full capacity before the deadline.
5. We appreciate your honesty and support!
